The egg license application form is for Retailer, Dealer or Processor, as defined below:

RETAILER: Any person who sells eggs to the consumer. A retailer who buys eggs from any person that does not have a Missouri Dealers License must have both a Missouri Retailers License and a Missouri Dealers License.

All Retailers $5.00

DEALER: Any person who purchases eggs from the producers thereof or another dealer, for the purpose of selling such eggs to another dealer, a processor, or retailer. A dealer shall not be permitted to sell eggs to consumers, and any dealer desiring to sell eggs to consumers shall obtain a retailer's license in addition to a dealer's license. Dealer's license fees and type of license shall be determined by the maximum cases of eggs handled in any one week.

D-1	1 to 25 cases per week	$5.00
D-2	26-50 cases per week	$12.50
D-3	51-100 cases per week	$25.00
D-4	Over 100 cases per week	$50.00

Retailers and dealers are required to have a license for each separate place of business.

PROCESSORS: Any person engaged in breaking eggs or manufacturing or processing egg liquids, whole egg meat, yolks, whites, or any mixture of yolks and whites, with or without the addition of other ingredients, whether chilled frozen, condensed, concentrated, dried powdered or desiccated. Processor's License Fees and type of license shall be determined by the maximum cases (30 dozen eggs per case) or the equivalent in liquid or frozen eggs processed in any day as follows:

P-1	Less than 50 cases	$25.00
P-2	50-250 cases	$50.00
P-3	250-1000 cases	$75.00
P-4	Over 1000 cases	$100.00
