

Missouri Exhibition Requirements for Swine

General Requirements

1. The Certificate of Veterinary Inspection is valid for thirty (30) days from the date of inspection.
2. Sales scheduled in association with exhibitions must employ an accredited veterinarian to examine animals and process a Certificate of Veterinary Inspection for change of ownership when required.
3. The following are valid forms of official ID: 840 RFID/EID tags, 8 or 9 character NUES tags, ear notch or a registration tattoo if purebred and with proof of registration accompanying the animal.

Specific Requirements for Swine

1. **Intrastate** (swine in Missouri moving within Missouri for exhibition only)
 - a. A CVI is required.
 - b. All swine must be individually identified by official ear tag as defined by official identification, or ear notch, tattoo, or any other means of permanent identification approved by the state veterinarian, be individually listed on a CVI, and be free of clinical signs of infectious or contagious disease.
 - c. Brucellosis. No test is required.
 - d. Pseudorabies. No test is required.
2. **Interstate** (swine from another state entering Missouri for exhibition only).
 - a. A CVI is required.
 - b. All swine must be individually identified by official ear tag as defined by official identification, or ear notch, tattoo, or any other means of permanent identification approved by the state veterinarian, be individually listed on a CVI, and be free of clinical signs of infectious or contagious disease.
 - c. An entry permit is required.
 - d. Brucellosis.
 - i. Swine originating from brucellosis-free states may exhibit without a brucellosis test.
 - ii. Swine originating from a state having a brucellosis status less than free must be tested negative within sixty (60) days prior to exhibition except—
 1. Breeding swine from a validated brucellosis-free herd. The validated herd number and date of last validating test must be listed on the CVI.
 - e. Pseudorabies.
 - i. Swine originating from a state classified as Stage V in the National Pseudorabies (PRV) Eradication Plan may exhibit without a pseudorabies test.
 - ii. All other swine must be tested negative within sixty (60) days prior to exhibition except—
 1. Swine from a qualified pseudorabies-free herd. The qualified herd number and date of the last qualifying test.
