Missouri Weekly Cattle Auction Summary 11/01/21

Receipts: 20,040 Week ago: 22,795 Year ago: 14,592

Compared to last week feeder steers and heifers sold steady to 5.00 higher, with several load lots of yearling steers over 750 lbs. selling up to 8.00 higher. The calf market started the week off strong following the monthly cattle on feed report which was considered quite bullish. Feeder Cattle Futures failed to provide much support however, and auction prices were a bit softer by mid to late week especially on the big calves in the 6-7 weight range. Rains fell across the state and much of the nation last week. This brought grain harvest to a halt but should help add demand for grazing type cattle to turn out on wheat pasture. Over 50 full pot loads of yearlings went through the barns around the state this week. A couple of highlights included 341 head of 878 lb. steers which sold at MO-KAN Livestock Market on Thursday for 164.75 and at Lolli Brothers Livestock Market on Tuesday a 64 head load lot of 823 lb. steers sold for 168.75. Boxed beef cutouts closed slightly higher for the week. Choice closed at 285.72, up 3.90 and select at 263.37, up 0.26 compared to the previous week. Feedlot trade was active this week with the largest weekly negotiated volume since early April. As of Friday afternoon near 103K head were reported with live sales mostly 126.00-127.00 and dressed sales at mostly 200.00. The Missouri Stocker Formula consist of 3482 head with a weighted average weight of 543.96 lbs. and a price value of 165.83, 2.71 higher than last week. Supply included: 84% Feeder Cattle (57% Steers, 1% Dairy Steers, 37% Heifers, 5% Bulls); 13% Slaughter Cattle (2% Steers, 0% Dairy Steers, 0% Heifers, 88% Cows, 10% Bulls); 3% Replacement Cattle (32% Stock Cows, 53% Bred Cows, 7% Bred Heifers, 8% Cow-Calf Pairs). Feeder cattle supply over 600 lbs was 53%.

MISSOURI GRAIN WEEKLY TRENDS

Compared to last Friday, Soybeans 0.15 to 0.47 higher, Wheat 0.17 higher, Corn 0.35 to 0.45 higher, Sorghum 0.30 to 0.50 higher.
