

The Missouri Department of Agriculture
is proud to present the

2010

***Missouri Livestock Market
Directory***

Missouri producers realize that marketing is just as vital as production to the success of their operations. Our state is fortunate to have a number of quality livestock markets, as well as dedicated marketing personnel, to help producers throughout the state receive maximum return on their production. Our livestock industry, with its focus on innovative genetics, health, nutrition, and marketing programs, is a driving force in agriculture for our state and our nation.

We invite you to take advantage of Missouri markets for your livestock buying and selling needs. Thank you for supporting Missouri agriculture.

All livestock offered for sale through licensed Missouri livestock markets are inspected by veterinarians prior to sale. For information on health requirements for moving livestock into and within Missouri, please contact:

Missouri Department of Agriculture
Division of Animal Health
P.O. Box 630
Jefferson City, Missouri 65102
or call
(573)751-4260
(7:30 a.m. - 5:00 p.m. (CST), Mon. - Fri.)
or email
Animal_Health@mda.mo.gov

Over the years the Missouri Department of Agriculture's Market News Program has strived to give Missouri's livestock industry the most accurate and timely market information possible.

To help keep the Missouri public fully informed of current market information, the Market News Program uses several means of reporting such as radio broadcasts, newspapers, market news hotline, and web site.

Each week all of the livestock markets reported in the state are carried in the Weekly Market Summary along with major Midwestern markets, livestock and grain futures, livestock slaughter figures, Missouri direct feeder pigs, and Missouri cash grain prices. The Weekly Market Summary is available free on line at: mda.mo.gov/Market/pdf/weeklysummary.pdf

If you would like to receive a hard copy by mail, the annual subscription fee for the Weekly Market Summary is \$25.

For further information about the Missouri Department of Agriculture's Market News Program or subscribing to the Weekly Market Summary, contact the following:
