Subject: Administrator's Physical Loss Notification N1488

---

This is to advise you that effective March 8, 2021, due to Administrator's Physical Loss Notification N1488 in Oklahoma, 2 Missouri counties have been designated as natural disasters for physical loss loan assistance. This action made Farm Service Agency (FSA) emergency loan assistance available due to a winter storm that occurred from February 8, 2021 through February 20, 2021. The counties are McDonald and Newton.

If you would like additional information regarding this designation, please contact our office.
