Subject: Secretarial Major Disaster Designation S4854

---

This is to advise you that effective October 26, 2020, due to Secretarial Disaster Designation S4854 in Missouri, eight Missouri counties have been designated as natural disaster counties for production loss loan assistance. The counties are:

Barton, Cedar, Dade, Greene, Jasper, Lawrence, Newton and Polk

This action made Farm Service Agency (FSA) emergency loan assistance available because of drought which began on October 20, 2020.

If you would like additional information regarding this designation, please contact our office.
