

CERTIFIED SAMPLER #: \_\_\_\_\_

Certified Industrial Hemp Samplers are required to maintain a Sampling Log as record of all compliance samples collected. Records must be retained for three (3) years. All Sampling Logs must be submitted annually for audit. Instructions and submission deadlines are provided each fall.

| SAMPLE ID  |        |                            | TYPE OF SAMPLE                         | SHIP/DELIVERY TO LAB   | PRODUCER-SELECTED |       |
|------------|--------|----------------------------|--|--|-------------------|-------|
| Producer # | Lot ID | Date Collected<br>(MMDDYY) | Original, Duplicate,<br>or Remediation | Producer, CIHS, or Name of Other<br>Person; N/A for duplicates | LABORATORY        | NOTES |
|            |        |                            |  |  |                   |       |
|            |        |                            |  |  |                   |       |
|            |        |                            |  |  |                   |       |
|            |        |                            |  |  |                   |       |
